

## LS615 Five Beam Laser

### PLUMB LEVEL AND SQUARE

Easy and versatile compact laser for leveling, squaring, carpentry and plumbing.

Interior jobs, door and window framework installation, leveling, layout and measuring. Do they take up too much of your time? Those difficult set out jobs are now made easy with the new generation, self-leveling 5 way laser square.

The multi-function mount provides many options to attach the instrument to:

- Floor and walls
- Metal wall frames (with built in magnets)
- Pipes (with the strap attachment)
- Tripods with 5/8" and 1/4" connection

This versatile laser generates five self-leveling laser beams for operational convenience.

No leveling bubbles are required, just turn it on and go to work.

### KIT INCLUDES

- LS615-5 Laser and multi-function mount
- LS307 Magnetic target
- Strap attachment
- Hard Padded Carry Case

## features

- LS615-5 projects five beams
- Gravity hung pendulum system for fast self-leveling
- Laser flashes and alarm sounds when out of leveling range
- Magnetic wall mount / tripod mount supplied
- Large self-leveling range
- Laser pendulum locking when not in use
- Easy calibration
- Low battery indicator
- One year warranty

## specifications

Precision	" +/- 4mm / 20m
Self Leveling Range	" +/- 6° Forward to backward " +/- 3° Side to Side
Operation Range	30m Ø
Working Temperature	" -10°C to +45°C
Laser Diode	Class II 635nm
Power	3 x AA Alkaline Batteries
Low Power Indication	Flashing power lamp
Battery Life	24 hours
Laser Dimensions	80mm x 98mm x 1016mm
Kit Weight	2kg
Carry Case	Padded
Warranty	One Year
